

Dear School Principal,

**Tonas Graphics is proud to be your Premiere Supplier for
Visual Communications Products & Educational Technology.**

You know us best as **your Poster Printer Company**. Since 1989 we've been selling Poster Printers with now over 2,500 operating in Schools!

We are now pleased to introduce the next generation of Poster and Banner Printers!
The New EDUCATOR Plus™ Color Poster Printer from Tonas Graphics will help:

- Increase Test Scores
- Improve & Reward Student Achievements
- Improve School-Wide Communications
- Increase Attendance to all School Activities and Events

The new EDUCATOR Plus Color Poster Printer **directly supports Title 1 Programs**. Our **New 36" Wide Full Color Poster & Banner Printer** Package for Schools includes everything you need for one low price!

Right now you can get all of this for as low as \$3,995.00.

Low operating costs.. Bring your cost per poster way down from Varitronics single color poster paper high prices **while printing in full color!**

Simple & fast to use.. You'll get Poster Artist Software with 100 PASS pre-designed poster/banner templates tailored for schools. You'll also receive Ink and printing material, cables to connect your computer, free shipping and training DVD video!

There's nobody else that does what we do. Don't be fooled by others, Tonas Graphics is the only Poster Printer Company serving exclusively schools with this package. You won't find our experience or a better value than our EDUCATOR Plus Package anywhere. **We guarantee best quality, best service and best pricing!**

Our Special Offer is valid for a limited time, **call Tonas Graphics now 1-800-535-7553 to get a free poster sample for your school.**
