Tips for Using Compatible Print Media Rolls with PASS Educational Poster/Banner Templates

1. Use **Bright White Paper** for Single Color or Spot Color Posters
2. Use **Premium Resolution Coated Paper** for color posters with low ink saturation and no picture or photos.
3. Use **Heavy Weight Coated Paper** for everyday full color posters having medium to high ink saturation.
4. Use **Glossy Photographic Paper** for high quality photorealistic full color posters with pictures and or photos.
5. Use **Satin Photographic Paper** for none-glare high quality photorealistic full color posters with pictures and or photos.
6. Use **Durable Matte Poly Banner** for all types of school Banners, light to medium durability.
7. Use **Scrim Banner Vinyl** for all types of school Banners, medium to high durability.
8. Use **Adhesive Backed Matte Vinyl** for full color "Peel and Stick" self mounting Vinyl Posters.
