Poster Artist - Design and Create prints anytime with ease and speed

Using (P.A.S.S.) Poster Artist Software for Schools you can create professional looking posters and banners in minutes.

Choose from dozens of preformatted templates or create your design with an extensive library of clipart, photos and backgrounds.

You may also print your own educational materials directly from Microsoft Word, Excel and Publisher.

Make full color posters for about a dollar

Surprisingly affordable, you can now choose from two printer bundles specifically packaged to meet your school's needs and budget.

Begin creating stunning poster size visuals for as little as one dollar in total supply cost.

You'll be surprised how easy and economical it is to add Big Color Impact to all of your school's communications.
